Chris –

Here is the final count for today.

Topline: All electors voted unanimously for the President Donald J. Trump in the states that he won and the six contested states. The only note is Governor Noem backed out of being an elector on Friday. While we tracked this internally, it made news today as the State Party Chairman had to be voted in today to serve as the new elector.

Here is a state-by-state breakdown:

States the President Won

1. Alabama: 9 electoral votes cast for Trump
2. Alaska: 3 electoral votes cast for Trump
3. Arizona: 11 electoral votes cast for Trump
4. Arkansas: 6 electoral votes cast for Trump
5. Florida: 29 electoral votes cast for Trump
6. Georgia: 16 electoral votes for Trump
7. Idaho: 4 electoral votes cast for Trump
8. Indiana: 11 electoral votes cast for Trump
9. Iowa: 6 electoral votes for Trump
10. Kansas: 6 electoral votes for Trump
11. Kentucky: 8 electoral votes for Trump

15. Mississippi: 6 electoral votes for Trump
16. Missouri: 10 electoral votes for Trump
17. Montana: 3 electoral votes for Trump
18. Nebraska: 5 electoral votes for Trump
 - a. *Please note: Nebraska does have 5 electoral votes but splits their Congressional District Electors based off who won the Congressional District. The President received 4 Electors and Joe Biden 1 Elector. Joe Biden won NE-02, and as such, the Biden Elector cast their vote for Joe Biden today as well.*
19. North Carolina: 15 electoral votes for Trump
20. North Dakota: 3 electoral votes for Trump
21. Ohio: 18 electoral votes for Trump
22. Oklahoma: 7 electoral votes for Trump
